

Hi All,

Next Friday, we will continue our annual tradition of serving lunch to the Seniors at the Southside Community Center. We will be returning to in person service, so your support and attendance will be extremely helpful.

We will have a live band performing on stage, along with special appearance by Santa (not Elvis). In total, we are looking at preparing enough protein for 150 seniors and volunteers.

John Baker has thankfully agreed to help secure the meat.

Tanner Kohl – can you please help transport the BBQ?

The BBQ will need to be on site by 9:00am. That'll give us enough time to get the coals hot, and have meat ready for service by 11:00am.

We will be doing Tri Tip – come help BBQ and slice. Wendy Marioni – your meat slicing expertise will be called upon!

Food service will begin at 11:30am, but please show up 10-15 minutes earlier (if you're not helping with the BBQ) so we can go over roles and assignments with city staff.

Gregg Consentino/John Baker – can we secure some gift cards like we've done in previous years as give aways?

Paul Eunaka – are you still able to securing poinsettias for give aways?

YMCA member Don Murdoch and his band will perform live on stage.

I have sent an invite to Councilmember Sergio Jimenez's office as well.

Thank you all!

Trung Ho

South Valley Family YMCA
