

## Christmas Function South Side Senior Center

Senior count and Rotarian count to Ray Lester, or other, to order the meat from Stephens Meat Company, Montgomery St. south of the Arena. 2001 lunch is 8 ounce (1/2 inch thick) New York steaks. We do not have an account with Stephens, so bring club check, business check, or cash. \$750 – 2001 lunch.

Ask Ray Lester to coordinate the barbecue.

South Side Senior Center orders the rest of the food unless Rotarians want to run around Costco and other places to find a “deal”

Rotary also brings mini candies and Dixie Cups for a treat for each place setting. We purchase four \$25 gift certificates as door prizes.

Senior Center contacts:       277-4962 – Brenda in the office,  
  629-3435 – Greg in the kitchen.

Terri Bermudas of Simons School is arranging for kindergartners to sing for the seniors. Terri Bermudas 535-6251.  
I would like to see a \$150 donation to the Simonds Music and Technology foundation.

Other school contacts: Laura Longshore, Booksin, 535-6213  
  Jeremy Harris, Pioneer, 535-6310  
  Jane Earl, Castillero (usually wants to bring large groups)

Last year we had kids from Cory School sing. Sandy Wun (535-6219) very cooperative but they needed the \$150 to rent the bus.

No Rotarian is insisting on being Santa.

Have some one bring refreshments, but no hard liquor, and all beer and wine in plastic (no see through) glasses
