Family Pizza/Beer/Soda

2010

The club members met for pizza and beer at Round Table Pizza located in Cambrian Park Plaza. This location works well because they have private rooms and an inside play area for the kids.

Attendance was better than expected with not only Rotarians but they're families.

The private room was reserved through Round Table 3 weeks prior to the event. They require a \$50 deposit which is credited towards any food or drinks purchased at the time of the event.

The club paid for the first round of drinks. This totaled \$56.07 not including a couple of additional pitchers of beer purchased by members.

For the \$56.07 the club got:

2 pitchers of premium beer
1 pitcher of standard beer
and 15 self serve sodas. (approx. \$1.89/ea)

The private room was ours from 5:00 – 6:45 on a Sunday evening.
