GUIDING FAMILIES FROM
CRISIS TO SELF-SUFFICIENCY

Dear Friends,

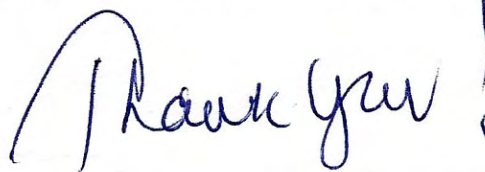

Thank you for joining our Adopt A-Family Program and donating generous gifts to six families in need this holiday season. Your generosity helped those less fortunate enjoy the holidays without the financial burden this season often brings. While we are so grateful for everything you provided, no one is more thankful than the families you helped, who have enclosed a thank you card to show their appreciation.

When people find themselves without homes, they need a safe place to sleep that night and for, at least, a few weeks or months. We address families' immediate need for food and shelter and help them to forge a path back to housing as quickly as possible. We extend AfterCare support to help families eliminate barriers to maintaining stable housing. We focus on finances, education and health — three pillars of long-term independence. This is our two-phase model, and it works. This is what ending family homelessness looks like.

Once again, on behalf of the families who receive essential services from Family Supportive Housing, please accept my sincere thanks for your generosity and support. We wish you a Happy New Year, as we give thanks to you and your commitment to our community.

Sincerely,

Beth Leary
Executive Director

Dear Bill and Friends at the Almaden Rotary Club,

Thank you for joining our Adopt-A-Family Program and donating generous Safeway & Target Giftcards and other Christmas Gifts to families in need this holiday season. Your generosity helped those less fortunate enjoy the holidays without the financial burden this season often brings. While we are so grateful for everything you provided, no one is more thankful than the families you helped, who have enclosed thank you cards to show their appreciation.

Family Supportive Housing is committed to the entire family. The three distinct service areas; the San José Family Shelter, Bridges AfterCare, and GlennArt Arms Transitional Housing, encourage families to stay intact while addressing their needs for food, shelter, education and employment. A long held commitment to family is the guiding force of the entire organization which resonates in the heart of everything Family Supportive Housing does.

Once again, on behalf of the families who receive essential services at the shelter; please accept my sincere thanks for your generosity and support of Family Supportive Housing. We wish you a Happy New Year, as we give thanks to you and your commitment to our community.

Sincerely,

Patricia Crowder
Executive Director

*"We ourselves feel that what we are doing is just a drop in the ocean. But the ocean would be less because of that missing drop."
- Mother Teresa*

On behalf of the staff and families from the After Care and Transitional Housing Programs we would like to take this time to thank you for participating in our 2009 Adopt-A-Family Christmas Program.

We are proud to say that over 50 families were able to celebrate Christmas in their own homes this year. Parents and children were filled with great joy because of the thoughtfulness of your gifts. They are sincerely grateful for your generosity and all the hard work you did on behalf of them. From the shopping you did for them to taking the time to wrap each present, our families were truly blessed this year!

We have had a flourishing year and will only continue to see the success of our families grow because of your willingness to respond to the invaluable cause to end homelessness. Our programs are only able to do these events because of contributing givers such as you. Each and every participant is an important piece of the puzzle that makes everything come together, no matter how small or large.

Thank you for partaking in putting the pieces together!

Sincerely,

Maria Rivera
