11/05/99 O'Neill & Pileggi

More Reports

Big Daddy gave a lot of stats on RI Endowment giving, were in good shape.

Big Daddy is looking for a volunteer to track RI Endowment giving and Paul Harris award status. This would be a long-term job, not just one year. Anyone game?

Jim Guido presented a check, from the Football game, to the AVRC Endowment for \$26K+. That means the Club will have around \$20K for charity giving this year!

We Care

Angie Hassler reports that Odette Leone is doing fine. She also reported that Tom Stutzman has been flat on his back for two weeks now suffering from sever back pain. He is scheduled for an MRI test to pin point the problem. Cards to all would be appreciated.

Fund Raisers

The Bowlathon is back on!? November 20th is the proposed date, a Saturday. It was voted on and passed by a majority of the members that were present and were afraid of Marianne M.

The membership also voted for a Casino Night fundraiser in the spring. More to follow...

International

Earl McIntosh has set a \$50K goal for the Guatemala project. He says he has three other clubs committed to helping and is looking for more.

New Scholarship

Jim Guido asked the club to donate to "Ryan Evans Education Trust". A \$100 donation was approved.

Name Change

The Football game is undergoing a name change to attract bigger and more sponsors. The new name is to be something like "Silicon Valley Youth Bowl" with AVRC and Charlie still in the headlines with it.

New Project?

A request has been made that we participate in an Almaden Valley Winery Restoration project. More to come later.

YMCA Project Clarification

Funds pledged to the YMCA project will not come out of the \$20K for annual giving. A request is to be made to the endowment board each year for the annual pledge. The funds are to come out of endowment earnings (interest?).

Membership!

Have you brought a prospective member to a meeting lately? Have you ever introduced a Guest of Rotary? Get with it and spread the word! If you have forgotten how to go about it, ask Angie Hassler

ps... This issue of the Grapevine is only going out to the members that I have E-Mail addresses for. It will reach about half of the club, about the number that showed up for the club assembly. I figure "What's fair is fair". Since only half the club made the effort to attend the club assembly, I should only put in half the effort getting out the bulletin. It goes against my grain to do this, but it's "Tit for Tat!"

This issue was written using Microsoft 2000 Word and saved as Microsoft Word 6/95. It should be readable Word 6, Office95, Office 97 and Office 2000. Version 6 and later of Wordperfect should also be able to open this document.

Another note on viewing this document... View it in "Print Layout".

Additional notes from Jeff Rosen:

1. We decided to have a Bowlathon November 20 after all.
2. We will try to put together a Casino Night in early spring.
3. There is the possibility of a "Youth Fair" in august of next year, taking the place of the farm/home/school/industrial arts part of the county fair. This club will have the opportunity to work this fair and make lots of money selling food. BUT this fair will be within weeks of football, Cambrian art & wine, Almaden art & wine, golf, and Columbus day. We hope to talk this up at the next meeting.
