Rotarians are a dynamic group of individuals who place service above self.

Our goal is to serve the community, our youth, schools, non-profits
and businesses through projects that are improving the lives of others.

Join us for lunch at one of our fun and engaging meetings.

Together we can make a difference.

Ending Polio will be one of the world's greatest achievements.

Lets make history together. A \$15 donation will protect
25 children from Polio. www.endpolionow.org
