

MORELAND NOTRE DAME SCHOOL

133 BRENNAN STREET

WATSONVILLE, CALIFORNIA 95076

September 5, 1990

Dear Mr. Guido and Members,

On behalf of our entire school community I wish to thank you so very much for the generous check of \$150.00 which helps our restoration after the earthquake.

Immediately after the earthquake we had to replace the leaking gas line under the classroom wing of the school, plus the boiler, heater, and a damaged wall.

In April the aftershocks knocked out the gas line under the Cafeteria wing, and each month more damage becomes apparent.

So you see, dear friends, your check is a great help to us. And in helping us you assist us to help others.

We keep you in our daily prayers and ask God to bless you for your generosity.

Gratefully yours,
Sr. Teresa Ann Leahy, S.N.D.
Principal
