### **Appreciation for the Rotary Club of Almaden Valley**

We, the Senior Advisory Council for the Southside Community and Senior Center of the City of San Jose, California, and the Senior Citizens who make up the senior community, wish to express our appreciation to the Rotary Club of Almaden Valley for their generosity in providing the wonderful steak luncheon for our Senior Citizens here at the Southside Center every year. They have been doing this during the Christmas season for many years now, organizing the event, cooking and serving the meal, and taking care of the cleanup afterward, all without cost to our senior citizens.

They have been unfailingly friendly, courteous, and respectful to our seniors, and everyone looks forward eagerly to this annual event.

In writing this letter of appreciation to the gentlemen of the Almaden Valley Rotary, the Southside Senior Advisory Council wishes to convey its heartfelt appreciation for their efforts on our Senior's behalf, in helping to make our Southside Community and Senior Center be the kind of place where Senior Citizens can come to enjoy their days of retirement and the companionship of their peers in friendship and comradery.

Thank you, Rotary Club, from the Senior Citizens at Southside, for all of the kindness you have shown us and for the assistance you have so most freely given us over the last many years.

Sincerely,

A handwritten signature in cursive script that reads "Judy Bender".
