April 23, 1991

Dear Almaden Rotary Members,

I am writing on behalf of the Pioneer Interact Club to thank you for the lunch you provided at our April 17 meeting. Special thanks to Hershel Higgins and Ray Jester whose friendly demeanor made lunch all the more fun.

Your involvement in our club means so much to our members, as does the support you give the leaders.

Thank you,

Hillarie L. Williams
Interact Vice-President
